Engrade - Students

engage Teachers Administrators **Students & Parents** Help Login

Engrade » Students

Engrade lets you easily see all of your upcoming homework, assignment scores, class grades, and attendance online as well as send private messages to your teacher to ask questions after class. To sign up for your Engrade account, do the following:

1. Each of your teachers who sign up for Engrade will need to give you your Access Code. This codes will look something like **engage-teachername-aaaaa**. Only your teachers can give you these codes, if you experience problems with your codes then please ask your teacher for help.
2. You can [sign up for a free student account here](#) using those codes. When you sign up for an account you will choose a username and password that you can use to log in.
3. Then you can [Log in here](#) anytime with your username and password to see your real-time class information and to exchange private messages with your teacher.

Internet 100%

After this screen you will be prompted to create your own username and password.

This will be private and you will be the only one who has access to this.

Please choose a username and password that you will be able to remember and make sure to write it down somewhere safe.

You can now access your grade 24/7 from home or anywhere you have internet access!
